Representative listing of covered services - certificate of coverage provides a detailed description of benefits.

- 1. Unmarried dependent children covered to age 26. Unmarried dependent students covered to age 26.
- 2. Reimbursement is based on our schedule of maximum allowable charges (MACs). Network dentists agree to accept our allowances as payment in full for covered services. Non-network dentists may bill the member for any difference between our allowance and their fee (also known as balance billing). United Concordia Dental's standard exclusions and limitations apply.
- 3. Members (subscribers or covered dependents) with certain medical conditions must sign up for this program through My Dental Benefits on UnitedConcordia.com.
- 4. United Concordia creates out-of-network charges utilizing FAIR Health data supplemented with our charge data as appropriate. We then calculate the out-of-network charge at the 90th Percentile of such data. Non-network dentists may bill the member for any difference between our allowance and their fee.
